

Formotion INSTRUCTIONS

REV. 2007-05-23

Bag-It!

General Note: The Bag-it bracket fits between the license plate bracket and the license plate. Our instructions do not take into account various license plate frame designs. If you opt to use a license plate frame, follow the instructions for the frame with the addition of placing the Bag-it behind the license plate frame and the license plate.

1. Remove your license plate. Make sure to retain all mounting hardware.
2. Place the Bag-It! over the license plate bracket and align the mounting holes and slots.
3. Place the license plate over the Bag-It! and align the mounting holes and slots.
4. With everything aligned, replace the mounting hardware you removed in step 1.
5. Install your Bag to the Bag-It! using one or all the holes.
